SOUL'S JOURNEY AND PROJECT UPDATES

***YOS – Year of Start**

On August 27, 2023, SOUL held an event to honor two foundational pillars of human success: Education and Bravery. The ceremony was conducted at the Trade Union Hall in Patharpratima, in South 24 Paraganas, West Bengal, where the top 17 academically outstanding students from the Patharpratima Block received scholarships. In addition to recognizing educational excellence, SOUL felicitated the courage demonstrated by six individuals known as "Bagh Jodhas." These brave souls have survived encounters with tigers while gathering honey and crabs from dense forests. Each Bagh Jodha was awarded a special medal and a bag of essential grocery items. Another high point of the event was participation of our shy rural 'Savar' kids from our Little Learners program. They confidently showcased their talents in dancing, singing, and reciting which was praised by the large audience. This transformation confirms SOUL's success in empowering these children, making them not just intellectually enriched but also mentally resilient. It was a proud and joyous moment for all of us.

In the eagerly awaited second edition, we honor Mr. Parthasarathi Mukherjee, a renowned Retired Senior Banker. He's not just a supporter but a cornerstone of our scholarship program. As a key figure, he takes an active role, personally conducting interviews for special scholarships. His generous contributions have been vital in expanding our educational mission. Moreover, Mr. Mukherjee serves as Chief Advisor on our Advisory Committee, offering invaluable guidance that steers our organization toward success.

In this special edition, we highlight Ms. Sanchita Roy, a Senior Solution Architect at VMWare and an avid supporter of SOUL since 2019. Her commitment to education and women's empowerment is extraordinary. Beyond her financial contributions, Ms. Roy serves as a role model, inspiring young minds that they can make a difference. Her actions speak volumes, encouraging the next generation to embrace philanthropy and impact change.
